Kims Corporation Limited – is a 100% Export oriented Woven Garments Manufacturing unit. It has started the journey from February-2007 under Korean management. From August-2020 we took over The Company and now it is 100% owned by Bangladesh Management, located in 16, Sutar Noardda, Arapara, Savar, Dhaka-1340, Bangladesh. At present total 11 production lines. Total floor space in 88,515 Sq. Feet. Including Sewing, Finishing, Cutting and Warehouse. Total production capacity 350,000 pc per month including tops and bottoms.

With “state of the art technology” in the manufacturing process along with highly experienced management and skilled 1300 works force, we will bring higher standards of operation in the complete process. These projects have machinery from world renowned Sun Star technology from Korea, Juki from Japan along with many other top of the brand machine from around the world. This project would be further strengthening itself by introducing communication through a real-time, on line system and efficient ERP solution to control the entire operation.

Our Mission:

We are the country’s supreme business entity and producing woven wears is our main business strength. OEKO-TEX®
INSPIRING CONFIDENCE

CERTIFICATE

The company

Kims Corporation Ltd.
16, Sutar Noardda, Arapura
Savar
Dhaka - 1340, BANGLADESH

is granted authorization according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report
22.11638

for the following articles:

Woven denim ready-made garments (skirt, pants) made of 100 % cotton, cotton/elastane (VY2A08), in raw white, violet and sulphur dyed in colors smart denim blue, waterless indigo, indigo, indigo-mix, silver grey, ash black, grey black, blue black (blue denim) to 100 and black, denim, denim, black, and silicone surface finished, including accessories (sewing thread, woven and printed label, plastic button, metal button, rivet, metal snap button, elastic tape, twill tape, zipper, pocketing fabric made of cotton/polyester), exclusively produced from material certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX® Annex A, product class 1 have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 6 for baby articles.

The certified articles fulfil requirements of Annex XIII of REACH (incl. the use of azo colorants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSC) with the exception of accessories made from glass) and of the Chinese standard GB 18401-2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17065-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audit.

The certificate 22.MB.11638 is valid until 31.05.2023
